

Main topic

This is a note

The screenshot shows a browser window with two main panes. On the left, the Cypress Elements tab displays the HTML structure of a sign-up form from 'test.exswap.com'. On the right, the browser's address bar shows the URL 'https://test.exswap.com/signup#personal'. The main content area displays a 'Create an account' form from 'Mindomo'. The form includes fields for Name, Email, Password, and a Strong password. It also features a 'I'm not a robot' checkbox, a reCAPTCHA field, and a 'Sign Up' button. Below the form, there is a link to 'Sign up with Google'.
